COMP160 - CPD Report

1606119

March 22, 2017

1 Introduction

2 Communicating effectively with team members

3 Use of version control and branching

4 Learning new tools and skills

5 Time management on coding projects

6 Reading of required materials

7 Conclusion

Write your conclusion here. Though the conclusion should be brief, no more than 100 words, it should do more than merely summarise the report. Focus on the five SMART actions that you intend to take in order to overcome any challenges and/or obstacles. Contextualise how this will help you towards your intended career goal and how this

may improve your project for the next semester.
